Adullam Camps' Leadership Program

- Adullam Camps' leadership program is unique. It uses a multi-year apprenticeship model to train young people for Christ-centered leadership in their churches, youth groups, schools, and communities. The key to the program model is the participants' commitment to return to their sponsoring organization to fill a leadership role during the school year. During the summer, participants will build their leadership skills in a Christian summer camp environment.
- Adullam Camps' motto succinctly captures the mission of the ministry: *Ephesians 4:12*
  To prepare God's people for works of service so that the body of Christ might be built up.
